

We would like to take this opportunity to ask you to consider the Golf Club of Newport for your next golfing event, large or small. We thank you in advance for this consideration.

We are very proud of our golfing facility and would like you to enjoy it as well. The golf course was designed by world renowned golf course architect Geoffrey Cornish and is located 12.4 miles northeast of Utica and 13.5 miles from Herkimer in a serene setting overlooking the beautiful Kuyahoorra Valley.

Featuring multiple tees, large undulating greens and more than 60 bunkers, the golf course provides great enjoyment to golfers of all abilities.

The Pete Grygiel Family and staff take great pride in our facility and we are dedicated to serving our golfers. Our goal is to provide you with the best service and playing conditions within our means. Every effort will be made to make your time at the Golf Club of Newport as pleasant as possible, making you eager to return again soon. Please take time to carefully read though the following, then complete and return the Golf Contract and Rules Agreement. Without the completion and return of both the enclosed Golf Contract and Rules Agreement, along with the Two Hundred Dollar (\$200.00) deposit to secure the date, we will be unable to hold your date and tee times.

If you have any questions, please do not hesitate to contact us. We hope you will be with us this year.

Sincerely,

Pete Grygiel / P.G.A
